

Announcing Texas Instruments Author Incentive Program... win up to \$3,000.

Texas Instruments is looking for unique home computer programs. If you have some, we can help you turn them into profit makers. To begin with--you could win up to \$3,000. You'll still own the programs...we may help you sell them.

One of the most exciting things about the home computer revolution is discovering the many ways a computer can be used.

If you've been working with small computers for a while, chances are you've developed some innovative application programs. This is your chance to put them to work—for a profit.

Texas Instruments is looking for quality programs. We've created an Author Incentive Program to make it worth your while. The award for the top program will be \$3,000. And there are five \$1,000 awards, plus twenty \$500 awards. All winners will be recognized with national publicity. Even if you don't receive one of these monetary awards, we may see enough market potential for your pro-

gram to help you develop it and sell it.

We want programs that offer real utility and lasting value. Programs that are self-teaching, that communicate on human terms. After all, the TI Home Computer was designed to be the first home computer the whole family can use.

TI is interested in education, personal finance and technical or managerial programs for professionals. Home management programs, hobby and simulation programs. We prefer that your submissions exclude entertainment packages.

Your entry can be a program you've created for use on the TI-99/4 or other microcomputers—in any high-level language, from Pascal and BASIC to FORTRAN or COBOL—or even assembly

language. All the way up to 48K RAM.

Keep in mind that programs for the TI Home Computer can incorporate high-quality color graphics, music and sound effects, and TI's remarkably-human synthesized speech.

To submit an entry, call the toll-free number below or use the reader service card in this magazine. We'll send you an entry submission form plus full details. *Please don't send anything until you receive and fill out this entry form.*

Programs must be in by November 15, 1980—so get your entry form soon.

For an entry form, call 1-800-858-4565.

Call between 8 a.m.-4:30 p.m. CDT, Mon-Fri. In Texas call 1-800-692-4279.
